## She Speaks...Audience Comments

# MAURAGALE

Maura is a very gifted and anointed teacher of the Word plus an actress,...she kept us spellbound.

*Dr. Betty Price (1st Lady of Crenshaw Christian Center)*

Maura not only did her research in terms of the Levitical law...but she went deeper into the emotional effects it had on this woman. She Speaks was marvelous!

*Dr. LaVerne Tolbert (Christian Education)*

Maura is an amazing, transforming metamorphosis of a woman!

*Rev. Candace Cole-Kelly (Pastor of Acts Bible Church)*

Maura did a great job in bringing the woman with the issue alive and modernizing it to make it personal.

*Celina Camarillo (Recovery In Christ Ministry)*

I felt like she was speaking to me. You will undoubtedly see yourself, your struggles and your hope in this anointed presentation. She Speaks is a must see, for every one! To see it is to be transformed.

*Andrea Wiley (Producer of Soulmate the film)*

She Speaks is a revelatory message uniquely delivered and ministered in a spiritual way which allows one to supernaturally experience two different individuals becoming one in time to fully comprehend "Her Story" her plight and her life and how her faith healed her.

*Linda Williams Assistant*

She Speaks explains everything in a simple and dramatic way! it was totally awesome!

*Shantei Radufo (12 years old)*

She Speaks was wonderful, exciting and informative. The realism, grabs you from the very beginning.

*Rev. Dovema Franklin*

The character makes even the smallest things gain importance. I finally get her story. It was wonderful!

*Candace Y. Graham (16 years old)*

*She speaks...life, hope and encouragement into my soul. When Maura Gale becomes the woman with the issue of blood, I no longer see Ms Gale, but a woman who has given me the strength to keep going and not give up. Thanks for showing me that with the power of God...I too, can give Jesus my issues.*

*Toni Plourde (Actress/Speaker)*

I've read the book of Mark chapter 5 many times but never did I experience it's strength and overwhelming power to this degree. To see and hear this woman standing before me was mesmerizing and I could actually feel myself transcending every moment in my own faith. My burdens became lighter and hope suddenly appeared. **She Speaks is so immensely powerful that even those who do not believe will be brought to their knees!**
